A book fair was organized by Chatia College from 1st to 3rd of November 2022 in association with Abha Publication, Biswanath Chariali, Assam. The event was inaugurated by Mr. Ganesh Pathak, President, Governing Body, Chatia College.

The book fair was organized with a view to make most of the books prescribed in the syllabus available to the students since they are a scarcity in the local book shops of the region. The students of all the departments of the institution are greatly benefitted due to the book fair and the fair has been able to attract students from the nearby schools and colleges.
