No

**8.Your Suggestion for future Developement of Chatia College :**

Future colleges will be hyper-personalized, tech-integrated, skills-focused, and globally connected, moving from rigid structures to flexible, student-centric ecosystems using AI for customized learning, emphasizing real-world problem-solving, offering blended/online formats, and prioritizing employability through interdisciplinary studies and micro-credentials, while still valuing holistic development. They'll be adaptable, community-engaged, and financially smarter, preparing graduates not just for jobs, but for lifelong learning in an unpredictable world.
